

SECOND SOUTH CHEATHAM UTILITY DISTRICT

P.O. Box 309
505 Valley Drive
Kingston Springs, TN 37082
615-952-3094

WATER RATES Effective July 15, 2026

0 - 1,000 gallons (minimum bill)	\$ 35.55
Over 1,000 gallons	\$ 12.32 per thousand

Meters are read between the 14th and the 20th of each month, and the bills are mailed on the 1st of the following month. Bills are payable by the 10th to avoid penalty. If unpaid by the 20th, service may be discontinued without further notice.

Your meter is for your residence only and cannot be dual connected to serve an apartment or other structures on your premises.

The meter box in your yard and all appurtenances are for the use of the District only. You should not tamper with the valve of any such appurtenances as any damage resulting from such tampering will be repaired at your expense and will be subject to a \$250.00 fine for tampering. You should locate a hand valve on the customer's side of the meter box for your use.

Your hot water heater should have a check valve on it to ensure proper performance should your line be drained at any time.

You, the customer, are responsible for any reducing valves that may be necessary at your residence if pressure is above recommended pressure.

If service is discontinued because of non-payment, a disconnection charge of \$60.00 will be paid to the District before service is restored.

Please refer to the Subscription Contract on the back of your meter deposit receipt for other information.
